Dear Mr. Covas,

Attached please find the correspondence you recently requested from Elias Rodriguez, regarding the AES Guayama facility (please disregard the bold text in the letter - our scanner was not working properly). I will also forward you subsequent correspondence in a followup email.

Please call John Martin, of our Public Affairs Division, at (212) 637-3662 if you have any further questions, as Mr. Rodriguez is out of the office.

Best regards,

Leonard Grossman
